

In The Zoo

QUESTION ANSWER WAY!

ACTIVITIES:

A. With Puzzle Pieces

1. Ask the child\children to assemble 25 jumbo puzzle pieces with the help of the picture printed on top of the box.
2. Ask the child\children to observe the picture, talk about different activities\actions and different objects\equipment found in the Zoo.

B. With Assembled Puzzle and Play Cards

Objective: a. Answer What? Who? Where? Questions, b. Find and name different objects

Preparation:

You will need: A Spinner and 60 Play Cards of 4 different categories printed in four different colours. The categories according to colours printed on their backs are:

- a. Who question cards - blue back cards
- b. What question cards - orange back cards
- c. Where question cards - pink back cards
- d. Find and name the pictures - green back cards

Place all the four category packs near the assembled puzzle separately.

How to Play?

On your turn spin the spinner and pick the Play Card according to the colour you land on:

* If you land on green colour, pick a card from the green card pack, find and name the objects found anywhere in the zoo.

* If you land on pink\orange\blue colour, pick a question card of the respective colour and try to answer that question correctly.

* If you are able to find and name the objects or answer the question correctly, you can keep that card and spin again.

* If you are not able to answer correctly, place that card in its respective pack. Continue to spin, answer the questions or find and name objects in the picture until all the cards have been played.

The player with the most cards is the WINNER.
