- b. 24 Clothing Cards

### **Aim of the Game:**

To be the first to place all of your Clothing Cards onto your Play Board.

### **Activities:**

Group Activity

1. Each player takes one of the Seasons Play Board.
2. Clothing Cards are mixed well and placed face down on some flat surface.
3. The youngest player begins by turning over one of the face down clothing cards.
4. If the player decides that the card matches with a picture on his/her play board, he/she takes it and puts it over the matching picture of his/her play board. If it does not match, the card is turned over again and play moves on clockwise to the next player.
5. The player who needs that card should try to remember its position for his/her turn.
6. The winner is the first player to complete his/her play board. The other players may continue the game for second and third positions.

2. Ask him/her to name each picture.
3. Provide help wherever required. Clues may be given if needed.
4. Repeat the above steps with other play boards.
